CHORUS

CHORUS

VERSE 1:

E5 E4 E
One thing I might ask of you Lord

A
Just one more thing I might seek

E5 E4 E
Is to live in Your house with you

A
All the days of my life.

E5 E4 E
To gaze on the beauty of You

A
And hope that I might see Your face

E5 E4 E
To dance in Your mercy and truth

A
And rest in Your grace

CHORUS:

E F#M AB E5 A E F#M AB E5 A

HALLELUJAH, HALLELUJAH

VERSE 2:

E5 E4 E
As I trip on my foolish mistakes

A
Oh my God You're my only Life line

E5 E4 E
First my heart bends and bows and then breaks

A
Then I'm covered with You

E5 E4 E
You have placed me on steady ground

A
and exalted my humble plea

E5 E4 E
I have felt You Lord stretching Your voice

A
You first loved me

BRIDGE:

E C#M BSUS B
My God of all glory can thunder

E C#M BSUS B
And Your voice can twist raging seas

E C#M B
You've spoken with flashes of lightening

A *E*
But You're talking in whispers to me.
