Verse 1:

Into the darkness shone

E A

A light to the world unknown

Exposing the heart of man

The need to be born again

Chorus:

E B A

Spirit wash my sin

Е В А

Make me born again

 $\mathsf{E} \mathsf{B} \mathsf{A}$

Bright light break on me

E ,

You are the life everlasting for all who believe

Verse 2:

E

He must become greater we become less

E A

The fullness of God in flesh

But how we love darkness and how we love sin

We need to be born again
