Verse 2  
Chorus  
Bridge  
Chorus  
Outro

## Verse 1:

F#m D E

Needing You as I rose

F#m D E

Needing You more when my head hit the pillow

F#m D E D

Everything in this life is broken to me

F#m D E

Needing to know Your will

F#m D E

Needing You more as I'm learning to stand still

F#m D E D

That I'm not the one who moves, You're moving through me

## Chorus:

A E F#m D

Captured by grace as this whole world falls apart

A E D

I find my place in truth in love

A E F#m D

Captured by grace as this whole world falls apart

A E D

I find my place in truth in love

## Verse 2:

F#m D E F#m D E

Nothing without Your presence, constantly craving more of Christ in me

F#m D E D

And with every question You're my only answer

F#m D E F#m D E

Counting it all as loss, painful the process as I'm growing in gain

F#m D E D

Put to death my flesh and change me with love

**Bridge:**

*Bm*                    *F#m*                    *A*                    *E*  
I could never be so proud that I find myself to be worthy of it

*Bm*    *F#m*                    *E*  
Everything about Your grace is gifted

*Bm*                    *F#m*                    *A*                    *E*  
So many times I'm so misled that I find myself to be working for it

*Bm*                    *F#m*                    *E*  
The only freedom I ever find is in Jesus

**Outro:**

*A*            *E*            *F#m*    *D*  
Let Your grace fall down on me

*A*            *E*            *D*  
Let Your grace fall down

*A*            *E*            *F#m*    *D*  
Let Your grace fall down on me

*A*            *E*            *D*  
Let Your grace fall down
