## Intro:

*E – A*

## Verse 1:

*E* *A*  
Sometimes it seems like my words are just filling up space  
*E* *A*  
Sometimes the answers I hear come from only my voice  
*E* *A*  
Sometimes it feels like anywhere but here is my place  
*E* *A*  
Sometimes a matter of love is a matter of choice

## Chorus 1:

*E* *Abm* *A*  
Will you lead me, Jesus, lead me  
*E* *Abm* *A*  
To the place where only Your love restores  
*E* *Abm* *C#m*  
Will you lead me, Jesus, lead me  
*B* *A*  
When I'm ever wanting more  
*E*  
I'm only wanting You

## Verse 2:

*E* *A*  
Sometimes it seems like the whole world has figured it out  
*E* *A*  
Sometimes it seems like they're so close to calling my bluff  
*E* *A*  
Sometimes it feels like the only thing real is my doubt  
*E* *A*  
Sometimes I don't feel a thing when enough is enough

**Verse 3:**

*E* *A*  
Sometimes You show me the beauty of all of Your scars  
*E* *A*  
Sometimes You teach me that only what counts is my faith  
*E* *A*  
Sometimes You tell me that home is only where You are  
*E* *A*  
Sometimes You show me that all that I need is Your grace

**Chorus 2:**

*E* *Abm* *A*  
And You lead me, Jesus, You lead me  
*E* *Abm* *A*  
To the place where only Your love restores  
*E* *Abm* *C#m*  
You lead me, Jesus, lead me  
*B* *A*  
When I'm ever wanting more  
*E*  
I'm only wanting You
