Lyrics and music by Steele Crosswhite

or capo on 7th fret, Key G

Verse 1:

G *D/F#*
All these colors in my eyes
Em *C*
From the whitest of the clouds to the bluest of the skies
G *D/F#* *C*
And how the color green deepens to show Your glory
G *D/F#*
All these thoughts that I think
Em *C*
From 'floating on the ground' to 'help me I'm gonna sink'
G *D/F#* *C*
Only reveals Your love in the fact that You've given me my own mind

Chorus:

G *D/F#* *Em* *C*
I believe, I believe, I believe in miracles
G *D/F#* *Em* *C*
I believe, I believe, I believe in miracles

Verse 2:

G *D/F#*
And that I can smell rain
Em *C*
That I can even taste it
G *D/F#* *C*
That I can feel it wash over my skin
G *D/F#*
That only I can make these prints
Em *C*
From these fingers that You gave me
G *D/F#* *C*
That I'm uniquely and fearfully and wonderfully made
