Verse 1:

Bm *A* *G*
Standing here, wondering where You are

Bm *A* *G*
Walking here, looking for where You've gone

Bm *A* *G*
Lying here, talking to the wall

Bm *A* *G*
It's been so long, it's been so long

Chorus 1:

Bm *A* *G*
Come what may, You are God

Bm *A* *G*
Come what will, You are God

Verse 2:

Bm *A* *G*

At times it feels

Bm *A* *G*
I haven't heard Your voice in years

Bm *A* *G*
But I know You're still here

Bm *A* *G*
You're still here, You're still here

Chorus 2:

Bm *A* *G*
Come what may, You are God

Bm *A* *G*
Come what will, I am not

Bm *A* *G*
Come what may, You are God

Bm *A* *G*
Come what will, You're still God
