Verse 1:

Dm C Bb Gm
From the start, we were enslaved
Dm C Bb Gm
The devil our king, our sins our chain
Dm C Bb Gm
We were hopeless, lost in darkness
Dm C Bb Gm
'Til the day that you came

Verse 2

From your throne in glory on high
You saw our groans and heard our cries
Out from darkness you have called us
To be sons of the light

Chorus:

F C Am Bb
Behold your King in glory crowned
F C Am Bb
And the ruler of the world lies there thrown down

Verse 3:

All our hope is in your cross
All this world we count as loss
Lord, where you go, we will follow
We give our lives, we give our all
