Chorus X2

Verse 1:

A A/Ab E A A/Ab E
When did that light fade away, it once was so bright, now it's just grey
A A/Ab F#M C#M
Maybe if you would just hold onto something more than your freedom
A A/Ab E A A/Ab E
Maybe just listen for now, close both your eyes, hear me, don't speak
A F#M B
Maybe if you would just cover your mouth, please shut your mouth

Chorus:

E A F#M B E A C#M
Still you wait, and your heart it breaks, for you just can't get away
E A F#M B
You're so proud, you're so broke, it's all such a joke
E A C#M, AbM, B, A A/Ab E
But Jesus, leave your crosses up to me, yeah

Verse 2:

A A/Ab E A A/Ab E
When did you let yourself down, you covered your light and traded your crown
A A/Ab F#M C#M
Maybe if you would just love something more than your freedom
A A/Ab E A A/Ab E
Maybe just listen for now, quiet your mind, hear me don't speak
A A/Ab F#M B
Maybe if you would just cover your mouth, please shut your mouth

Bridge:

A/Ab E A/Ab E A/Ab F#M
Slow down, slow down, slow down
