<b>Verse 2</b>
<b>Chorus x2</b>
<b>Bridge</b>

## **Verse 1:**

*E* *Bm*  
My broken heart is one that needs mending  
*D* *A*  
And I need to start to stop pretending  
*E* *Bm*  
And You are my sweet living dream  
*D* *A*  
Help me know what You want, just what You mean

## **Chorus:**

*E* *Bm*  
Because everything I know has a season of change  
*D* *A*  
In all these changes You're, You're still the same

## **Verse 2:**

*E* *Bm*  
Provoke my motive, provoke my mind  
*D* *A*  
Please win this war for me and take my life  
*E* *Bm*  
Make my ways straight and make my days long  
*D* *A*  
Help my eyes see that in You I am strong

## **Bridge:**

*E* *Bm*  
And let, let Your mercy  
*D* *A*  
Fall down on me, fall down on me  
*E* *Bm*  
And let, let Your mercy  
*D* *A*  
Fall down on me, fall down on me
